

WISH General Meeting &  
The Teal Pumpkin Project  
Wednesday, October 18th at 7:30pm  
Belle Harbor Yacht Club

Please join us at our general meeting on Wednesday, October 18th at the Belle Harbor Yacht Club. In addition to getting information on WISH's recent activity and upcoming events, we will be working with RBNY Family Support to distribute pumpkins and treats for the Teal Pumpkin Project.

RBNY Family Support is a local group for parents and caregivers of children with special needs. Representatives from the group will be at the meeting to provide information on what RBNY Family Support does and how it helps families in our community.

The Teal Pumpkin Project is a movement that aims at raising awareness of food allergies and promoting inclusion of all trick-or-treaters throughout the Halloween season. Placing a teal pumpkin outside of your home during Halloween signals that your home provides non-food treats and helps welcome trick-or-treaters that may have food allergies.

At our general meeting WISH will be giving out teal pumpkins and non-food treats. New and current members welcome! Here's a chance to get involved and get ready for Halloween!
